Creating a SimNow Account

- Go to **https://my.intuitive.com/account/sim**
- Ensure you have access to your **mobile phone** during setup.
- Follow the **on-screen prompts** to create and configure your **SimNow 2 account**.

New SimNow Users

- Review the **"SimNow: Log In and Start Using the Simulator"** guide.
- Set up your **My Intuitive account** and **SimNow account** by following the instructions provided.

Need Help Setting Up?

On the simulator login screen:

1. Select **Help** (top right corner).
2. Select **Login Requirements**.
3. Use the links in the **Create an Account** section for step-by-step guidance.

Recommended

✅ Review your **SimNow preferences** via **Intuitive Learning Profile & Settings** after account creation.

✅ Refer to the **"SimNow: Log In and Start Using the Simulator"** guide for additional information and support.
